

HABARI FROM THE ZIEMS DECEMBER 2024

Merry Christmas & Happy New Year!

The SON Team in Morogoro took some well deserved time to fellowship and celebrate the birth of Jesus before closing the workshop for the Christmas Holiday. We had lots of fun and of course lots of food!

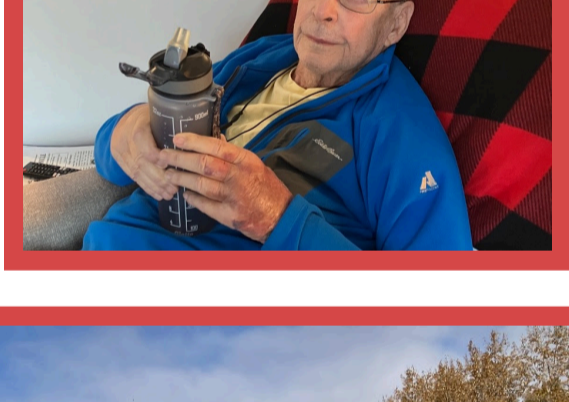

It is so exciting and encouraging for the SON Team to be able to share the Living Water of Jesus by providing families with a water filter that will give them clean drinking water for years to come! We are still compiling the final information, but it appears that more than 1340 filters were installed this year!

Thank you everyone who made this possible!

A few pictures from our visit to the U.S. It was wonderful to laugh and gather together with family and friends with many of you how God is working in Tanzania. Much of our time was a bit sad and a challenging as we walked with Ann's dad in his final weeks, days and moments before he met Jesus in his final home where he is happy and joyful!

It's not too late to get your SON 2025 Calendar! Let us know and we will send them to you or deliver them in person!

The prayers of a righteous man are powerful & effective!
Please pray with us.....

- Praising God for his amazing provision over the past year. Our funding partners, as well as so very many of you have been so very very generous. We are so very grateful as we were able to provide so many Tanzanian families with filters again this year!
- For us, along with the entire SON Team to place trust in God each and everyday.
- For each of the SON families for protection and good health. It seems like every year at this time, there is a lot of sickness. Many of our team are traveling during this holiday.
- For wisdom and grace as we plan and schedule activities for the next year. That we will be open to the voice and leading of the Holy Spirit. That we will be servants of the Most High.
- For our continuing ministry work in the areas of Puberty and WASH Education in the local primary schools. That God will be glorified.
- For additional volunteers & partners that have a heart for sharing Jesus in practical ways, especially in the areas of education & outreach.
- For God to continue to provide the necessary financial resources to accomplish His purposes here. We have set a budget for the coming year and are trusting in God that we will be able to meet it!
- For Dennis and his family as they walk beside Dennis's father who is undergoing treatment for colon cancer.

The Spirit and the Bride say "Come!". And let him who hears say, "Come!", whoever is thirsty, let him come; and whoever wishes, let him take the free gift of the water of life."
